## D & D BALLOONING

See the Southern California Wine Country from a hot air balloon just minutes from Hwy 15 in the beautiful valley of Temecula, one hour north from San Diego, and two hours from Los Angeles.

We will book a ride for you, and you will experience an exciting flying adventure over the vineyards and rise to panoramic views of the valley. The ride includes your crew to set up and inflate the balloon, a one hour flight, opportunity for great photo shots of wild animals and vineyards, a champagne brunch, and a flight certificate to commemorate your adventure. Your group can be as small as the romantic sweetheart flight for two or as big as a party of ten or more. All non-flyers are welcome to come chase the balloons and to join the brunch following the flight. All parties receive a free wine tasting coupon for the Wilson Creek Winery. The champagne breakfast may include refreshing fruit, bagels, sweet rolls, muffins, finger meat and cheeses, and of course, champagne (*non-alcoholic toast and vegetarian foods provided on request*). While you eat, the pilot will explain the history of ballooning for your entertainment.

Reservations are required. Although space may be available for the next day, we recommend a reservation to guarantee your space. We fly 7 days a week, year round, weather permitting.

---

All flights are subject to weather conditions. A minimum three days notice for cancellation. No refunds for "no shows" or late arrivals. Gratuity is appreciated for ground crew.
